# AHMED AbdulAzeez

## Frontend Engineer

Frontend engineer, my passion lies in transforming design concepts into seamless, user-friendly experiences. With a keen eye for detail and a commitment to staying current with the latest web technologies, I'm dedicated to creating visually stunning and highly responsive web applications that engage and delight users.

## Experience

**2023 - Present**

Union Systems Limited, Lagos, Nigeria

**Frontend Engineer**

- I design the website's user interface based on Figma design and ensure it is user-friendly.
- To keep up with the latest trends, I research and incorporate the newest software and tools into the webapplication.
- I integrate REST API and working closely with back-end developers
